FUNDRAISING A SUCCESS.**

You can support the Trust in a big way while making space for new and precious pieces by donating your never used or least favourite jewels to the

**2012
BERMUDA NATIONAL TRUST
AUCTION AND JUMBLE SALE**

Choose **today** to clean out your drawers and boxes and deliver items to Waterville, 2 Pomander Road, Paget, where we will keep them safe until the sale begins on February 23rd. We accept any and all kinds of jewellery including items for children, trendy teens and sophisticated adults.

To help us meet our target in these tough economic times we encourage you to donate semi precious or precious pieces which may qualify for the main auction. Please identify these when you bring them in so we can ensure appropriate appraisal and secure storage. If you know the value or have a special description please add a note to the piece. **Please ask your friends too!**
