

What's on at the BNT

Keep up to date with all the latest goings on at the BNT by visiting www.bnt.bm or [following us on Facebook](#)

The Elliott Collection at the Chubb Gallery

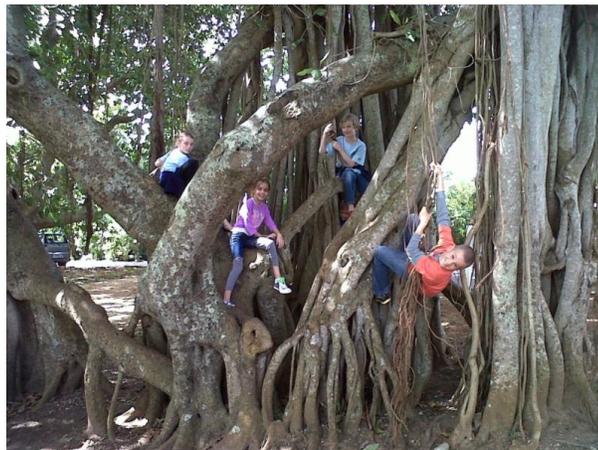

The Elliott Collection exhibition, on now at the Chubb Gallery, is a not-to-be-missed display of 19th century Bermuda watercolours celebrating Bermuda's nautical heritage with works by

renowned artists including Thomas Driver, Admiral Sir Willoughby Lake, Michael Seymour and Gaspard Le Marchant Tupper.

The exhibition will run until Friday July 28. The Chubb Gallery, located at the Chubb Building, 17 Woodbourne Avenue, Hamilton is open to the public weekdays from 10am - 4pm. Please call 295 5200 for group arrangements.

Summer Camps

With summer holidays just around the corner we are delighted to offer a camp for ages 10-14 geared toward engaging campers in sustainable projects. Combining conservation and creativity, the "Go Green: Creative Upcycling" camp will give students the chance to try their hand at bringing new life to things. Field excursions and site visits will also inspire our young makers through the week.

This camp is offered during these two weeks: July 17 - 21 and August 14 - 18.

[Click through to our website for full details and information on how to sign-up.](#)

AGM and Awards

As a member of the BNT we

invite you to attend our Annual General Meeting at the BUEI on Thursday, July 22 at 6pm. The meeting will be held directly after our awards ceremony to honour the hard work and dedication of those working for the benefit of our island.

We would love to see you there, please let us know if you can come via return email.

Save The Date!

FarmFest, our fun-filled family day celebrating the best the season has to offer, returns to Devondale this year on October 28. Stay tuned for further details.

Secret Garden Party at Waterville

This year we brought the party home for our fundraising dinner, set in the grounds of Waterville, our Headquarters in Paget on May 20. The theme for the evening was a Secret Garden Party, with décor managed expertly by

our event co-chairs Louisa Swayne and Darlene Phillips. Kicking off with cocktails provided by Bacardi, our guests dined on a largely locally sourced meal before dancing the night away to live band, The Go Down Berries. Thanks to the generosity of everyone who came down on the night we managed to raise funds which will go towards our continued efforts to protect and preserve Bermuda's natural and cultural heritage for generations to come.

ANTS Conservation Days

We have been making great strides in our nature reserves thanks to the efforts of our ANTS volunteers on days aimed at protecting and preserving Bermuda's cherished places.

Most recently volunteers at Scaur Lodge Nature Reserve helped restore the native woodland. Previously

completely obstructed by invasives, the view of Ely's Harbour is now open for everyone to enjoy. This project has been made possible through the generous support of Aspen.

You can find information on all our upcoming ANTS volunteer days on our website - www.bnt.bm or by [following us on Facebook](#)
