Oil Painting Demonstration & Lecture

With International Artist Eli Cedrone

May 11, 2019 - 2:00 - 4:00 pm

Eli Cedrone studied art in Italy and Boston. She is a popular instructor in the US and internationally. Cedrone has won numerous awards and is the recipient of several fellowships. Her work is collected worldwide and has been featured in Fine Art Connoisseur magazine.

Don't miss the opportunity to see this award-winning artist at work. Eli will paint on location at "Waterville" and discuss the creative process. Cedrone was the recipient of the Best in Oils Award at the Bermuda Plein Air Festival in 2017. She will be teaching weekly painting classes throughout the summer with Bermuda Arts Centre Dockyard.

Demo fee \$10. and includes a chance to win the art demonstration! Contact: Kelly Way at 236-6483 x222 for more info.

BERMUDA NATIONAL TRUST

Summer Camps

The Bermuda National Trust offers fun camps for children aged 8 to 11. Each program week includes interesting field trips to Bermuda's prime nature reserves and historic sites, a variety of hands-on activities and fun indoor and outdoor games.

Crack the Code Camp (July 1-5 and July 8-12)

This camp is perfect for puzzlers and scientific sleuths. Discover a world of special alphabets, codes and their uses. Learn about hidden messages that passed through Bermuda and the people that decoded them. Create your own mystery with a team and design a scavenger hunt.

Awesome Trails Camp (July 15-19 and August 12-16)

CAMP FULL

Participants will enjoy a week of healthy outdoor fun on Bermuda's beautiful trails, beaches and nature reserves. They will learn about natural history, heritage and field skills while hiking, scavenger hunting and exploring together. Activities at our education centre at Waterville will include healthy snack making, eco-printing and traditional games.

Pirates, Boats and Forts Camp (July 22-26)

Ahoy there, matey! This camp is for you if you would like to learn about the life of pirates, pirate ships, navigation and the history of Bermuda's forts. Have fun while building boats, water cannons, cardboard forts and trebuchets. Join a treasure hunt, with arts and crafts to be created in the Waterville classroom.

Creative LEGO Camp (July 29-31 and August 5-9)

CAMP FULL

Calling all young LEGO robot designers! This exciting camp uses the LEGO WeDo2.0 system which is a fantastic new learning tool that introduces students to robotics, engineering and programming. Our fun projects are linked to technology in Bermuda and science topics such as plants and pollinators, habitats, animal senses, ocean pollution and transport. This camp nurtures teamwork, creativity and problem-solving and includes field trips and outdoor activities.

Aftercare: Maker's Corner 3-5 pm

Spend the afternoon relaxing in a creative space with your own project. Learn a new skill such as knitting, sewing, woodworking or string art and build something special to take home.

Time: 8:30am-3pm (or 5pm with aftercare)

**Location: drop off and pick up at
the Bermuda National Trust
Waterville, 2 Pomander Road, Paget
